September 8, 2009

To Whom It May Concern:

Dear Sir or Madam:

Please allow this letter to serve as a recommendation and verification of work performed by Jordan Disposal Service and Gator Industrial on behalf of Tri-State Motor Transit Co.

Tri-State Motor Transit Co.'s corporate office is located in Joplin, Missouri (TSMT). We have been transported Hazardous Materials, Arms, Ammunition, Explosives, Radioactive Material and other Sensitive Materials for the Department of Defense (DOD), Department of Energy (DOE) and the Civilian Sector for more than 75 years. TSMT is one of the largest government approved carriers in the United States.

Tri-State had collaborated with JDS/GI to help meet specific operational goals. This required working closely with JDS/GI on numerous projects including the design, blueprint & construction of a safehaven. There are only three commercial safehavens approved by the DOD, all were designed and built by JDS and their affiliates.

Please feel free to call if you should require any additional information.

Sincerely,

A handwritten signature in black ink that reads 'Glen Garrett'. Below the signature is a circular stamp containing the initials 'GJ'.

Glen Garrett
President
